

Dear Recruiter,

On behalf of the UAEE Board and the hosts of the UAEE Statewide Education Career Fairs we regret to inform you of the decision to cancel these fairs, at Utah State and Brigham Young Universities on March 18th and 19th, due to the Coronavirus (COVID-19). Travel restrictions and CDC guidelines to restrict large gatherings compels us to make this decision to reduce the spread of the disease.

In an effort to keep you, as well as the students safe we feel this is the best course of action. To remain true to our mission, while being safe and proactive we encourage you to reach out to the students at each of the nine universities through Handshake. The same account you registered on can connect you to all nine universities and their teacher candidates. We will encourage students to check for job postings and actively research your schools. Please ensure your profiles are up-to-date with information about your school/district as well as open positions. This system will allow you to link your website to see all open positions in the posting. When students apply we will be happy to help make arrangements for you to conduct virtual interviews at each of our universities.

We will be refunding full registration fees to help in mitigating the financial burden this may cause, as you cancel your travel arrangements. Refunds will come in the manner you paid. Please allow a few weeks for processing.

We are considering options to connect you with our students before our events in March of 2021 and will keep you informed as we decide. Meanwhile, we hope to see you next year and please stay safe as we join the fight to stop the progress of this health crisis.

Sincerely,

Diana Maughan

President of UAEE
